Emergency Group

“s”
Summary”

Activities:

“pm” Staff Meeting

Actions:

- Activate the appropriate response plan for the area.
- Activate and mobilize the recovery task force.
- Issue public information announcements, as necessary.
- Determine the method of damage assessment and activate teams.
- Establish a debris clearance plan.
- Coordinate with the Coast Guard and establish portage areas.
- Perform assessment of community needs
- Monitor public health conditions and correct deficiencies.
- Commence local emergency response to prioritized list of activities.
- Issue the “ALL CLEAR” announcement for designated areas.

Activate the appropriate response plan for the area.

Activate and mobilize the recovery task force.

Issue public information announcements, as necessary.

Determine the method of damage assessment and activate teams.

Establish a debris clearance plan.

Coordinate with the Coast Guard and establish portage areas.

Perform assessment of community needs

Monitor public health conditions and correct deficiencies.

Commence local emergency response to prioritized list of activities.

Issue the “ALL CLEAR” announcement for designated areas.

In preparing for battle I
have always found that
plans are useless, **but**
planning is indispensable.
