SPOC Update

Our Progress

We are pleased to tell you that **FirstNet** continues its focus on expanding the **Nationwide Public Safety Broadband Network** (NPSBN) as it builds out the system, offering *additional* towers and **service packages** to the public safety community. For Louisiana, that means we now have **23 additional towers** and **210 subscribers**.

A NEW Look for FirstNet

To encourage States and local jurisdictions to sign on to the network, FirstNet's national focus is **building awareness** of products and services. You will see FirstNet sponsorships and paid advertising to support this effort and look for **FirstNet's NEW service brand**.
